### Ken Jones - Primary Photographer

Ken Jones discovered his love of photography as a teenager studying at New York City's prestigious High School of Art & Design, which counts such famous artists as photographer Steven Meisel and designer Calvin Klein among its alumni. With more than 23 years of professional photography experience, Ken's background as a fine artist is evident in his work. The composition and artistic touch in every photograph creates an unsurpassed and beautiful aesthetic, resulting in truly breathtaking images.

At Elite Weddings, Ken has created a comfortable atmosphere for his subjects, removing the rigidity that exists at so many other studios. By keeping the setting relaxed, Ken is able to perfectly capture the truth-and beauty-behind his subjects.
